ORDER APPROVING CLAIMS

Upon the Motion To Allow Claims, no adverse interest appearing, the Court finds that the matters stated therein are true and, that;

Pursuant to 11 U.S.C. 502(a) the claims which have been filed as recited in said motion are deemed allowed unless objection is made by the parties receiving the motion; it is therefore,

ORDERED, that within five (5) days, a copy of this order and of the annexed motion be mailed to the debtor(s) and to the debtors' attorney of record, and that the debtor(s) be given thirty days from the date of this order within which to examine the proofs of claim and to file a written objection to any claim which may be improper. The absence of a timely written objection will be deemed an approval by the debtor(s) of the claims as recited in the Motion. Following entry of this Order, any creditor may file an amended claim to reduce the amount claimed. Any amended claim purporting to increase the amount of any claim allowed by this Order shall be allowed only upon separate order of the Court. Any claim not filed as of the date of entry of this Order shall not be allowed, except upon further order of the Court. Any objection to claim filed after entry of this Order shall make specific reference to this Order, in plain language, so as to advise any creditor or other affected party that the provisions of this Order, as they relate to that specific claim or claims, will be changed if the objection to claim is sustained.

The Clerk shall send a copy of this Order to R. Clinton Stackhouse, Jr., Chapter 13 Trustee, 870 Greenbrier Circle, Suite 200, Chesapeake, VA, 23320, the attorney for the debtor(s) and the debtor(s).
